CAMPTON TOWNSHIP
SOLID WASTE DISPOSAL DISTRICT

Spring is around the corner, and with spring comes a sense of renewal. The grass, flowers and trees come alive and if you are like most of us in Campton Township the need to spring clean becomes overwhelming. At the Campton Township Solid Waste Disposal District we think of spring as the time to reuse, renew and recycle. As you are cleaning out your closets, attics and garages please think about how someone else may be able to use what you no longer need. Check out our website for organizations that would be thrilled to have those items, http://www.ctswdd.com/Information.htm

Our Board is also experiencing a sense of renewal this spring. We would like to thank Jack Berry, our long time Board Secretary as he has reached his term limit and needs to take a (hopefully short) hiatus. Jack has been a great contributor to our Board and supporter of recycling. He will leave some big shoes to fill. The Board would also like to wish Becky Lambe well as she becomes a new Campton Township Trustee.

We have been fortunate enough to fill one of the open trustee positions and are looking for another volunteer that is excited about trash and all the great ways to reduce our community's burden on landfills by increasing recycling. Join us at our next meeting on April 27th at 7:30pm at the Campton Township Community Center. Become a *T-R-A-S-H-E-R!!*

Highway District Announces Brush Pick-Up for 2009

Brush pick-up will run May 4th thru 8th for residents living north of Route 64.and May 11th thru 15th for residents living south of Route 64.

Fall pick-up: October 19th thru 23rd for residents living north of Route 64. and October 26th thru 30th for residents living south of Route 64.

Highway Commissioner Sam Gallucci requests that certain guidelines be followed by residents to insure pick-up by the road crew. The maximum accepted diameter for tree limbs is 18 inches with lengths up to 8 feet. Brush must be piled neatly, with cut ends facing the road. Small twigs should be tied together; do not include any type of yard waste items.
For a detailed guidelines, please refer to Campton Township website www.camptontownship.com or call the Campton Township Highway District Office at (630) 365-9300.

Brush should be placed by the road the Sunday before your scheduled brush pick-up week.

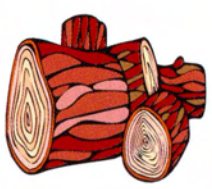
This is an example of a good pile.
The branches are sorted by size and bundled into groups for easy pick-up. Please try to bundle your small brush like this example.

The "Beaver Dam" mistake
This looks like it could be a beaver dam when actually it is a brush pile that does not fit the guidelines. Remember to neatly organize the brush with the cut ends facing the road and space them far enough apart for easy handling.

The Highway District will be making one pass only.

Kane County Burning Rules

Since 2003, the burning of landscape waste has been prohibited in most areas of Kane County. Landscape waste includes leaves, grass and shrubbery cuttings, flowers, and weeds. Garbage, paper, and other such items also may not be burned under any conditions. Brush is the only material that can legally be burned in most of the County. Brush includes tree trunks, limbs, branches, and twigs. Brush may be burned in two manners:
(1) Recreational fires are allowed any time, as long as the fire is not larger than 3' x 3' x 3'.
(2) Larger piles of brush may be burned, but only on sunny days, between the hours of 10:00 am and 3:00 pm, when the wind speed is not greater than 10 mph. Any burning must be supervised, and cannot be within 20 feet of any structure or property line. Complaints about cases of improper burning should be made during business hours to the Kane County Health Department at 630-208-3801. All other hours, please call the Sheriff's office at 630-232-6840.
Penalties for violation of the burning rules range from $100 for a first offense and $500 for subsequent offenses. For more information about the Kane County burning regulations, please call (630) 208-3841.



POYNOR PARK GRAND OPENING

May 9 1:00 PM 6N330 Swanberg Road

Photo By: Ken Johnson

Celebrate the opening on our newest park, located on the west side of Swanberg Road between Empire Road and Silver Glen Road.
Enjoy refreshments, watch Wasco Girls Fastpitch Softball exhibition game, play in the playground, check out the beautiful picnic shelter, toss a ball or a Frisbee on the playing fields, and learn about the prairie and wetland plantings with township naturalists. Want to help with the proceedings, or join a group of volunteers that help maintain and improve the landscaping?
Call the office at 630-377-5705
